EXPERTISE

SERVICE

Sunrise is one of Australia's leading suppliers and manufacturers of all things trailer and towing, with over 15 years of experience in the industry and an extensive range of over 2000 products.

We've got the trailer and truck body parts, winches, electricals and hardware to help you build and customise trailers of all types. Our team of experienced professionals also provide reliable expertise and advice for you to get the best products to suit your needs.

An integral part of the caravan and trailer industries for over 40 years, Easylift is proud to be supplying customers with the highest standard of Australian-Made products using locally sourced materials and manufacturing.

Joining Sunrise in 2021, our selection of jockey wheels, stands, caravan accessories and towballs are built to last in the toughest conditions and are trusted by Australia's biggest hire companies. Experience the Australian-made difference with Easylift.

brands across Australia*

SEE PAGE 3 FOR DETAILS

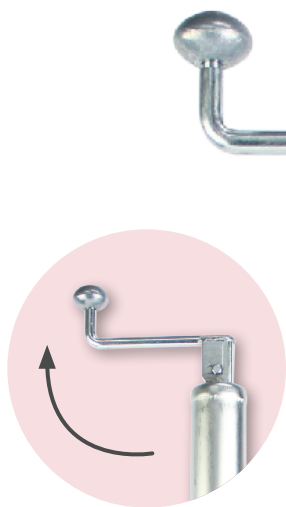

**JOCKEY
WHEELS**

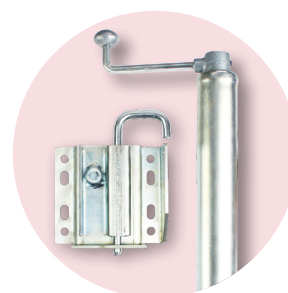

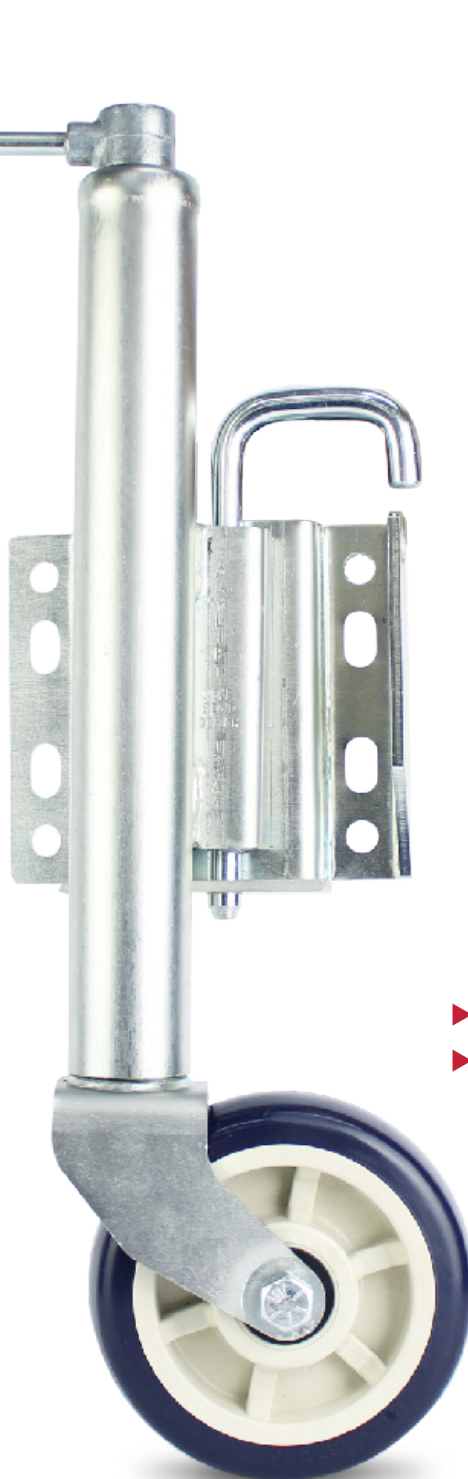

6" SWING UP

These jockey wheels can rotate into a horizontal position for travelling whilst remaining attached to the drawbar. Fitted with a strong locking pin and no need to detach before hitting the road, the Swing Up is a highly convenient and reliable option for your trailer or caravan.

JW6SSHFHEL-60

- ▶ Choose from a Standard or Flip Handle
- ▶ Flip handles offer extra protection from damage while travelling

JW6SSHNBEL

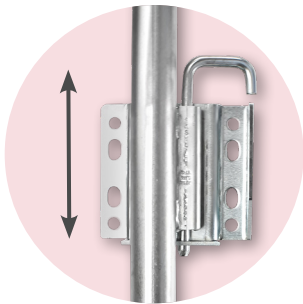

- ▶ Bracket available separately
- ▶ Weld to your desired height

use in the toughest conditions

Have trailers for hire? Secure your fleet with
easylift

**JW10SSHDEL**

- ▶ Heavy duty option available
- ▶ Built with a thicker inner screw
- ▶ Great for tandem trailers

**JW10SSHDEL**

- ▶ Choose your bracket height
- ▶ Perfect for low-riding trailers

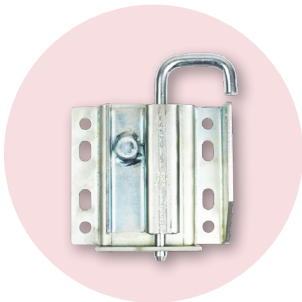

Pictured: JW10SSHDEL

PART NUMBER	HANDLE TYPE	CAPACITY	RETRACTED HEIGHT	EXTENDED HEIGHT	SCREW THICKNESS	BRACKET HEIGHT
JW10SSHDEL	Standard	1200kg	690mm	930mm	Heavy Duty	60mm
JW10SSHDFLEL	Flip	1200kg	690mm	930mm	Heavy Duty	60mm

ULTRA HEAVY DUTY

Designed for big trailers and caravans, our ultra heavy duty jockey wheels have a thicker outer tubing that allows for a larger weight capacity. Options available in both 8" and 10" wheels.

JWBOEL

- ▶ Loose bracket available
- ▶ Weld to your own height
- ▶ Use on custom heavy duty trailers

Pictured: JW8SSHDLTEL (L) JW10SSHLTEL (R)

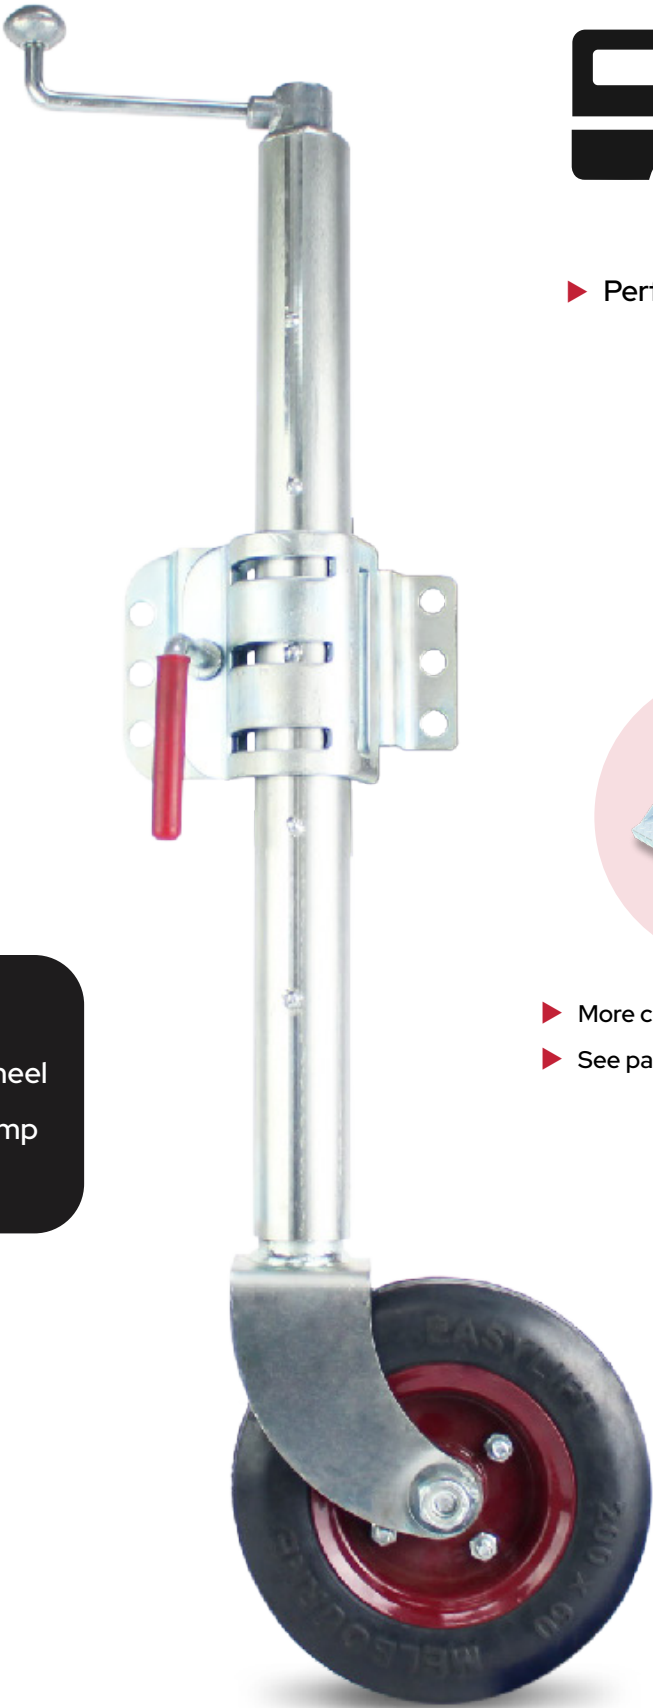

PART NUMBER	HANDLE TYPE	CAPACITY	RETRACTED HEIGHT	EXTENDED HEIGHT	SCREW THICKNESS	BRACKET STYLE
JW8SSHDLTEL	Standard	1000kg	720mm	1000mm	Heavy Duty	No Bracket
JW10SSHLTEL	Standard	1500kg	810mm	1050mm	Heavy Duty	No Bracket

Single clamp jockey wheels are a classic design that has been popular for decades. When not in use, they can be fully detached from the drawbar with ease and stored away safely.

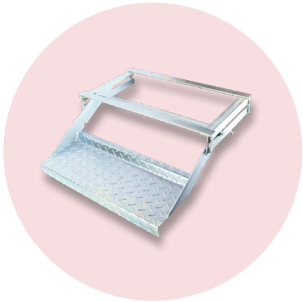

Pictured: JW6WCEL (L) JW8WCEL (R)

PART NUMBER	HANDLE TYPE	CAPACITY	RETRACTED HEIGHT	EXTENDED HEIGHT	SCREW THICKNESS	BRACKET STYLE
JW6WCEL	Standard	450kg	550mm	780mm	Standard	Single Clamp

WIND OUT LEGS

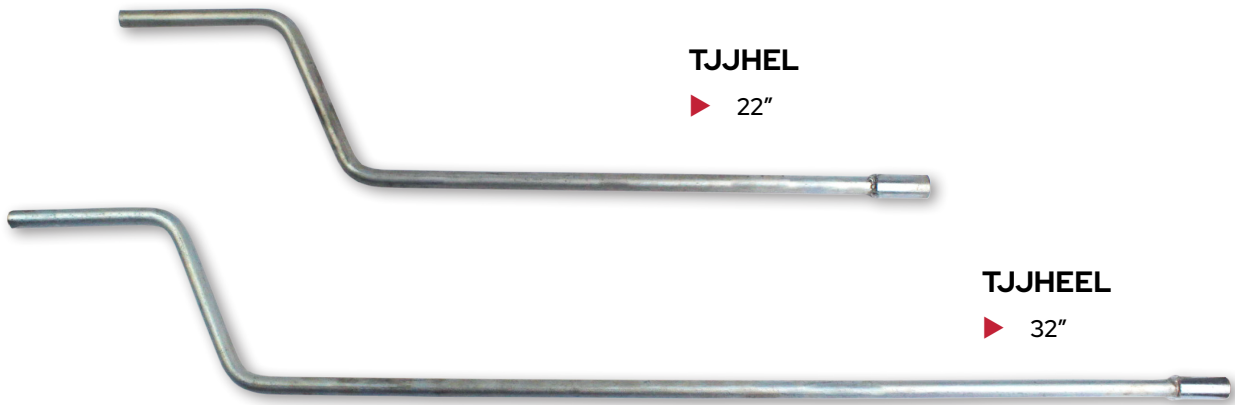

Wind out legs offer support and stablisation to your trailer or caravan. Control the level of extension with a winding handle that is available in two sizes. Ideal for steadying in a fixed location, these legs can be welded directly to the chassis.
